Welcome to Tampere!

The venue for Scand-LAS 2024, [Tampere Hall](#), is situated in the heart of Tampere, the third-largest city in Finland.

The setting for the exhibition is the highly versatile and flexible Sorsapuistosali, Park Hall, comprising 1,244 square meters.

The centrally located exhibition area plays a pivotal role in the Scand-LAS 2024 conference, serving as a dynamic hub for networking, knowledge sharing, and business opportunities. Its layout and strategic placement make it an integral and inviting part of the overall event experience.

Coffee breaks and lunches are served in the exhibition area.

The exhibitors of Scand-LAS 2024 will receive a manual compiled by the experienced event managers at Tampere Hall for booth planning and decoration.

Orders for exhibition supplies can be conveniently placed online through the Exhibition Orders system, which also features exhibition instructions and guides.

Tampere Hall's in-house technicians carry out the design and construction of electrical installations, data connections, and lighting. Lobby personnel guide and help exhibitors during construction and dismantling, and throughout the event.
